

A Breslov Sukkot: The Four Species Part 2

written by Meir Elkabas

September 27, 2023

Meir Elkabas explains the goal of taking the four species and how waving the four species (etrog/citron, lulav/palm, hadassah/myrtle, aravah/willow) spreads the teachings of the tzaddikim throughout the world. Also, the four species represent the four types of prayer accessible to every Jew. Like this video? SUBSCRIBE to our channel.
