What will it be like when the Mashiach is revealed? We know that the geulah and world-wide redemption will have profound effects on our lives. Isaiah 11:9 says “the world will be filled with the knowledge of God. Each of us will have a new, holy awareness of Hashem. If we want to start experiencing the times of the Messiah, we can begin by focusing on prayer, faith, Torah learning, and strengthening our awareness of the Creator in every aspect of our lives.
