

Am I Imagining It? –Likutey Moharan 25

We all have ideas about who we are and what we're supposed to be doing with our lives. But most of us are prone to mistakes in our judgments and beliefs. In order to develop meaningful insights into ourselves and the nature of our existence, we need to overcome our illusions, strengthen the deeper holiness of our intellect and elevate the traits of our heart. Through this process, we merit to clarify and purify our *medameh* (our imagination), and acquire authentic, holy intellect.

Rebbe Nachman's Likutey Moharan 25 gives us a detailed map to the deeper aspects of our personal intellectual and spiritual growth, helping us acquire holy intellect, enrich our self-

knowledge, and move towards eternal goals. In this special course, Yossi Katz will emphasize how to study and understand Likutey Moharan 25 from inside the text and how to use Likutey Halachot as a guide to deeper learning.

Topics include:

- The Root of the *Medameh*

- The Shamir Worm
- Secrets of the Afterlife
- How to Subdue the Evil Forces
