In this course, Rabbi Chaim Kramer will lead on you the journey of a lifetime as he teaches two fundamental lessons from the Chassidic masterpiece, Likutey Moharan.

## Some topics include:

- Insights into Greatness – An Overview of Likutey Moharan
- **LM I, 112 Tsohar (Light)**

Rebbe Nachman teaches us that even in life's most painful moments, there's always a way out of the darkness. Rebbe Nachman's Tsohar (Light) teaches us the very real, practical ways in which we can shine a light into negative situations, and illuminate the path to self-actualization.

- **LM I, 51 Mayim (Water)**

Are we victims of circumstance or do we have free will? Rebbe Nachman is the champion of "self-empowerment through the exercise of free will." He bases Mayim's discussion of free-will on an arresting interpretation of the mysterious Talmudic account of the four Sages who entered Paradise.
