ASK A BRESLOVER

written by breslov.org September 23, 2009

Question: Where can I buy breslov hebrew publications in Long Island or Queens area? There is any website to order hebrew books in America?

Answer: There is currently someone working on a website, but it is not yet ready to open. There is someone in Monsey who does sell the books and can ship them to you. You can call him at 845-425-7464 to order.
