Question:

I was learning ShibChei Haran, and I saw that before Rabeinu went to E.Yiroel, he stayed in a city Kamenetz, and it said there some

say it was a praise and some opposite, as there are alot of explanations.

Can I have some explanations both ways?

Thank you

Answer:

Thanks for your question.

The statement that some said it was praiseworthy, others said it was not, is in reference to statements made in Rebbe Nachman zal's lifetime. What the specifics of those statements were are lost to us.

Shabbat Shalom and

kol tuv.
