the world's greatest treasure: Rosh HaShanah with Rebbe Nachman

— The Kolloel will take place at the tent on Perovsk 3 —

Here is my wonderful deal for you: Join us as sponsors for a shiur, daily learning, or a Kiddush for Shabbos and Yom Tov – the best contribute to a positive change in your life!

Rebbe Nachman said: "I could have been a famous leader and Tzaddik just like all the others, whose Chassidim come to see them without knowing what they have come for; they come and go and have no idea why. But I never wanted any of this. My only concern is to get you to repent." (Tzaddik 335)

I took these words as my motto when, about a decade ago, I brought the best rabbanim to deliver shiurim, so that the tens

of thousands of English-speakers could understand why they came to Uman and what it is all about.

Speakers: Rabbi Chaim Kramer, Rabbi Elchanan Tauber, Mr. Gedale Fenster, Rabbi Yonatan Rietti, Rabbi Binyamin Weinreb, Rabbi Rephael Kramer, Rabbi Meir Elkabas, Rabbi Gil Basch and Michael Benmelech.

I'm in Uman, what do I do now

After the unity on Rosh HaShanah, we're about to separate. What do I take with me?

You've got questions, we've got answers.

the world's greatest treasure: Rosh HaShanah with Rebbe Nachman

The Kollel will take place at the tent on Perovsk 3

For the times between shiurim, we've started a special *chavruta* initiative to learn Rebbe Nachman's teachings. Everyone is invited to come and learn on the premises with a study partner, and there will be a Rav present to answer any questions.

This will truly contribute to a positive change in your life! And as the Breslover leaders from the previous generation said: Until you draw close to the Rebbe, you are afraid to change, but once you draw close, you are afraid *not* to change!

All shiurim and learning sessions will take place in our dining hall on 11 Piruvska Street. In the event that there will be obstacles to holding the learning there, they will take place in the BRI area at B7 Piruvska Street.

Those who will not be coming to Uman for any number of reasons are invited to participate through sponsoring a shiur, daily learning, or a Kiddush for Shabbos and Yom Tov so that we can carry out this blessed work. In addition to your Heavenly reward, we will mention your names in prayer, for brachah and hatzlachah.
