

# Breslov in Mishpacha Magazine

Glory be!

Not only is Breslov Chassidus prominently and positively in a mainstream Jewish magazine—*Mishpacha*—it's the cover story! (Rabbi Chaim Kramer, founder of Breslov Research [wearing glasses], and Reb Moshe Weinberger of Aish Kodesh are pictured.) Get yourself a copy of this week's issue: 28 Iyar 5770/May 12 2010

Our thanks to the good people at Mishpacha, in particular Reb Yisroel Besser, the article's author. May his love for tzaddikim continue to stand him and his in good stead, *m'atah v'ad olam* (from now and forever).
