*Have you always dreamed of going to Rebbe Nachman's holy gravesite in Uman?*

In our fourth year, now with longer trip and additional time in Mezhibuzh (Baal Shem Tov).

Join BRI Women's Chaya Rivka Zwolinski and discover the power of your prayers.

Begin at the advocate of Israel, Rav Levi Yitzchak of Berditchev; step back in time to Mezhibuzh and the resting place of the holy Baal Shem Tov; step up to the sweetness of praying at the gravesite of Reb Noson in Breslov, author of Likutey Tefillot (The 50th Gate); and enjoy the otherworldly delights of Shabbos with Rebbe Nachman in Uman.

You'll make hitbodedut in Sofiefka Park where Rebbe Nachman himself made hitbodedut, learn inspiring Breslov Chassidut and the history of the Tzaddikim, and experience Jewish Ukraine,

and so much more.

Stay in comfortable and clean lodgings at the lovely hotel at the Baal Shem Tov and in our private BRI guesthouse in Uman, enjoy fresh, delicious meals and snacks, and travel with a truly special group of women.
