

BRI Uman Kolel 2017

August 23, 2017

For English-speakers, traveling to Uman has been made so much easier by the pioneering efforts of the Breslov Research Institute. For over 15 years, we have hosted Uman-goers, offering them a comfortable place to sleep, eat, learn and *daven*. Thanks to your help, we recently built the BRI Uman Educational Center. There are now many more guest rooms and a stunning new mikvah. In our new Beit Medrash and Shul – *home to the BRI Uman Kollel* – renowned English-speaking Breslov teachers inspire many hundreds of students.

Whether you can join us or not, take part in Rebbe Nachman's Rosh HaShanah gathering by helping us host visitors to the BRI

Uman Kollel and Communal Meals.
