written by Chaim Kramer
October 2, 2022

This week Chaim Kramer discusses the Torah portion Parshat Haazinu through the light of Rebbe Nachman's teachings.

Reb Chaim discusses Moshe's song, "Haazinu", singing about the Jews' failures and sins, and their ultimate redemption by Hashem and return to Eretz Yisrael, the Holy Land of Israel. He also discusses free will, Shabbat T' Shuvah (Shabbos Shuva), and returning to Hashem during this propitious time of year.
