written by Chaim Kramer
September 11, 2022

This week Chaim Kramer discusses the Torah portion Ki Tavo through the light of Rebbe Nachman's teachings. Reb Chaim explains how we are preparing for Rosh Hashana, when Hashem judges us, during the weeks before. He speaks about the mitzvot in this Torah portion, bikurim and tithes, which shows our gratitude to God. Reb Chaim speaks about the blessings and the curses, the holocaust, and the survivors of the holocaust, and our own personal mission. There is also a special blessing from Reb Chaim.
