

Chaim Kramer – Parshat Re'eh

written by Chaim Kramer

August 21, 2022

This week Chaim Kramer discusses the Torah portion Eikev through the light of Rebbe Nachman's teachings. In Parshat Re'eh, the Jewish people are told blessings (from Mt. Gerizim) and curses (from Mt. Eval.) Chaim Kramer speaks of his travels to Shechem (called Nablus), in sight of these two mountains, and shares insights into the deeper meaning of this Torah portion, and the secret hidden in the Hebrew letters. Reb Chaim also talks about Rebbe Nachman's advice: Remember even if you make mistakes, Hashem still loves you.
