

Chaim Kramer – Parshat Vayeishev

written by Chaim Kramer
December 18, 2016

A story of betrayal, scandal, conflict, and jealousy, Chaim Kramer talks about this week's Torah portion, Vayeishev through lens of Breslov Chassidut. All the 12 sons of Yaakov were very great Tzaddikim, but Yosef had a connection to his father that was far greater than his brothers. Using the Arizal, the Baal Shem Tov, and Rebbe Nachman as examples, Chaim Kramer gives us insight into the conflicts between great tzaddikim.
