Chaim Kramer is largely responsible for introducing Rebbe Nachman's teachings to today's generation. He is a sought-after lecturer on Rebbe Nachman's teachings by English-speaking congregations around the world. Chaim has been the director of the Breslov Research Institute since its inception in 1979. BRI has been the main publishing-house for translations of classic and contemporary Breslov books. More than 100 titles are currently in print, in English, Hebrew, Russian, Spanish, French, and even Korean. Chaim himself, is the author of "Through Fire and Water", "Crossing the Narrow Bridge", "Anatomy of the Soul", "This Land is My Land", and many more titles, as well as annotating over 13 volumes of the English Translation of Likutei MoHaRa. For more information visit www.breslov.org

Pardes is a Jewish rock band that defines the current state in the evolution of Jewish music. Founded by Adi Gabison, Asher Essebag and Oren Avroya, the band brings positive spiritual content together with rock sound and a hint of Mediterranean and Hassidic influence, and creates today's Jewish rock. The live shows performed by the band are always an uplifting experience where the audience is taken on an inspiring spiritual journey. Music is the path to the soul, and Pardes delivers.
