

Podcast: Discerning Real Truth from False Truth

written by Dovid Mark

January 3, 2019

The world is founded on Truth, but sometimes we have a hard time discerning Truth which has been tainted by Falsehood from Real Truth.

Our souls were sent down to a very confusing world. We are often lost within the misplaced choices that we take because it is so hard to decide and clarify Truth from Falsehood.

We must clarify Truth from Falsehood within us and recognize it is in fact the Holy Creator – *Hashem Yisborach* who has placed all of these stumbling blocks, confusions, and falsehoods in front of us in order to give us the opportunity to clarify the Real Truth from the False Truth.
