The Breslov Research Institute has released a free English/Hebrew booklet in time for Lag B'Omer. The booklet called: "Lag B'Omer with Rebbe Nachman of Breslov" contains Rebbe Nachman's prologue to Likutey Moharan called "L'chu Chazu" which deals with the uniqueness and connection between Rabbis Shimon Bar Yochai and Rebbe Nachman, as well as the special prayer written by Rebbe Nosson to be said especially on Lag B'Omer. We hope that you gain much from this special publication.
