Likutey Moharan can be learned by anyone from the beginning learner to the most advanced scholar. But in order to get more out of Rebbe Nachman's life-changing teachings, Rabbi Avraham Ben Reb Nachman compiled 18 principles for learning Likutey Moharan, drawn from Rebbe Nachman's own works. In this shiur, Chaim Salesky discusses the 18 guidelines and gives us the tools we need to learn the Rebbe's sefer on our own. Packed with helpful advice for learning in depth, this series also shows us how to access practical advice for everyday life.
