## Are you looking for accommodations in Uman for Rosh HaShanah 2021?

This year, stay in Uman with the **Breslov Research Institute**, pioneers of the Uman Experience, which has been ongoing for close to three decades. We offer two clean and comfortable hotel options just a short stroll from Rebbe Nachman's *tziyun*.

Our hotels offer 24-hour refreshments; private, clean mikvahs; optional gourmet Shabbos & Yom Tov group meals; in-house Shul/Beis Medrash (optional Rosh HaShanah seat tickets still available); and much more.

Plus, enjoy our famous BRI Uman Kollel, featuring inspiring, world-class shiurim with many top English-speaking Breslov teachers, such as Reb Chaim Kramer, Gedale Fenster, Reb Jonathan Rietti, Rav Elchonon Tauber, Reb Meir Elkabas, Reb Nasan Maimon, and more. We also offer historic tours of Uman

with Gi Bashe, as well as musical performances.

Spending Rosh HaShanah with BRI is more than reserving a bed in a building for a few days. It is the opportunity to join a family of lifelong friends and teachers, and to spend Rosh

HaShanah in a comfortable, inspirational setting with people who can make the experience more meaningful.

Each year in Uman is the experience of a lifetime, one that can truly change your life!

We are here to assist you. For more information and help making your trip arrangements from A to Z, please contact us:
