

Meir Elkabas – Parshat Lech Lecha

written by Meir Elkabas
October 26, 2017

Meir Elkabas discusses this week's Torah parsha, Lech Lecha. Avraham left his familiar surroundings in order to discover who he really was. We too have to leave our comfort zone in order to discover who we are. Don't miss this deep discussion of why we had to go through what we've been through in the past.
