

Musical Interlude, a 2nd

written by Ozer Bergman

June 23, 2010

Not a musical second, a second musical interlude! If you like klezmer (of course you do!), you'll love this. The well-known and outstanding clarinetist Andy Statman is playing—a different inSTRUMENT. I can't tell what it is, but he plays it well. Enjoy before the Three Weeks begin (and after they end).
