Women's Mission to Uman

June 22 through June 27*

The BRI Women's Mission to Uman isn't a mere getaway but a **life-changing journey of the soul** designed for women like you who want to tap into the **joy of spiritual adventure**.

This is your **personal odyssey**: *Strengthen your relationship with HaShem. Connect with the Tzaddik. Gain a richer understanding of who you are and where you're headed.*

Group leader Chaya Rivka Zwolinski of BRI and BreslovCampus.org will be your guide as you explore the rich gifts of the great Tzaddikim. You'll discover the **spiritual healing and blessings** that heartfelt prayers recited at the graves of the Tzaddikim can bring. You'll make hisbodedus among the very trees that Rebbe Nachman himself was inspired by. You'll **sing and dance**, and so much more.

Beginners and long-time Breslovers alike will delight in a special Shabbaton with Breslov Research Institute's founders, Chaim and Gitta Kramer. Reb Chaim will inspire you with the **deepest Breslov Torahs** and share a **riveting personal account of the Breslov pioneers** who broke through the Iron Curtain to Rebbe Nachman's tziyun. Plus, you'll have plenty of time to schmooze and **spend quality time with teachers and fellow-travelers**.

Make new friends while traveling on a **luxury bus**. Stay in **clean and comfortable accommodations** (the best Mezhibozh and Uman have to offer) and **enjoy delicious meals**.
