“הַיּוֹם הַזֶּה הֵיכָל הַמִּשְׁכָּן נִפְתָּח לְפָנֵינוּ  
וְנִפְתָּח לְפָנֵינוּ הַמִּשְׁכָּן הַזֶּה ; וְנִפְתָּח לְפָנֵינוּ  
הַמִּשְׁכָּן הַזֶּה וְנִפְתָּח לְפָנֵינוּ הַמִּשְׁכָּן הַזֶּה”

The days of Elul mark the beginning of the days of mercy and the mitigation of harsh decrees.

The above statement from Avinu Malkeinu sums up our entreaty to Hashem.

We are living in especially challenging and confusing times, what with the wars, and all the horrific tragedies that are happening all around us, Hashem yerachem.

We must bear in mind that there is a way to sweeten all these harsh decrees.

In Likutey Moharan II 4, Rebbe Nachman teaches that giving charity cancels out the root of natural events, and then we can merit an outpouring of mercy from Hashem.

We won't need to do any action to earn a livelihood because everything will come automatically.

By giving charity, every person works toward being able to serve Hashem without the difficulties of earning a livelihood.

*(see video below)*

We are currently launching a special campaign to create an outpouring of kindness in the world.

The more people who join, the more we will increase Hashem's kindness in the world.

Give charity according to the numerical values of  according to the options below, and merit to reveal Hashem's kindness in the world.

**Remember: This is the charity that increases Hashem's kindness in the world!**

**Join now and become one of the fortunate people who are increasing Hashem's kindness in the world.**

**Chessed = 72**

**Chessed x 10 = 72 x 10**

**Chessed x 100 = 72 x 100**

*Tizku L'Mitzot, and blessings to be inscribed with the True  
Tzaddikim for a good life and peace, Amen.*
