

Parshat Yitro—Transmitting the Teachings of The Tzaddik

written by Meir Elkabas

This week on BreslovCampus, Meir Elkabas discusses the Torah portion, Parshat Yitro with insights from Rebbe Nachman of Breslov. In this parsha, the Torah tells us that it was impossible for Moshe Rabbeinu to solve all the problems presented to him by the Children of Israel. Yitro (Jethro), his father-in-law suggested a new system of delegation. Rebbe Nachman said that he also had and will have a system of disciples who transmit his teachings while remaining connected to the Tzaddik.
