

Podcast: We Must Remember Who We Really Are

written by Dovid Mark

November 7, 2021

We were all sent down many times before and our mission is to simply just remember who we really are and where we have come from. We are each an expression of the infinite consciousness. Our presence here has caused us to forget that, but if we cling to the truth of who we are and where have come from and ultimately where we are going back to we will succeed in our mission.
