As Jews around the world gather and mourn the continued destruction of our physical and spiritual Beit Hamikdash, we would like to share some precious resources with you.

It is customary to only study Torah that relates to the theme of this day. The folks at Artscoll were kind enough to share part of the English/Hebrew Edition Schottenstein Talmud that deals with this. [Here is a download link.](#)

Secondly, we have prepared Reb Noson's amazing Tisha B'Av prayers taken from "Entering the Light: Prayers for Shabbat and Jewish Festivals." Here is file.

Have a meaningful and easy fast,
