Rebbe Nachman of Breslov tells us: Never give up! But sometimes, the Amelek that dwells within pushes us to the brink. “Life’s just too hard,” we tell ourselves.

The Purim story is an object-lesson in overcoming our inner-Amalek, that voice of sluggishness, doubt, and fear. Queen Esther overcame Haman, Amalek’s descendant, and you can too.

Join Yossi Katz this Tuesday night at 8 pm (EST) for a live, Purim event at BreslovCampus.org. It’s easy to log in and there is no charge.
