How do we make decisions? How do we know what to do next in life?

What we see, hear, and experience each day can often give us important messages on how to conduct our lives, but what we learn in a Breslov class always offers us vital information that we can use to change our lives.

In this seven-part course, we'll cover a wide range of Rebbe Nachman's deep insights and sage advice on personally relevant topics using Advice (Likutey Eitzot) as our guide. Popular BreslovCampus teacher Meir Elkabas will also answer your questions.
