

The Breslov Elul Text – Torah Vav

written by breslov.org

August 20, 2014

When the month of Elul comes around, Breslover Chassidim from around the world study and review lesson 6 of Rebbe Nachman's Likutey Moharan. This lesson is called "Torah Vav," and discusses Rebbe Nachman's view of Teshuvah (returning to God.)

We are happy to present this lesson to you. Enjoy!
