Moshiach himself, the son of King David, who was born and who is kept in heaven, the Gemara says, until a certain time when he will be revealed. At that time Moshiach will come to earth and his task will be to rebuild the Beis Hamikdash, the holy Temple, or to reveal its being rebuilt by Hashem. Secondly to destroy, to eradicate, to wipe out completely all the enemies of the Jews. Third to bring back all Jews from exile into the Land of Israel.
