THE CONCLUSION OF THIS SERIES!!!

“We have the power to bring Moshiach..”

“Let’s try to be that community, that group, that unit. In ourselves, in our hearts, let’s return to Hashem with our whole heart, with our whole true faith. Faith in Hashem, faith in the Torah Hakedoshah, faith in the tzaddikim. In the zechus of that faith we will deserve, the entire Klal Yisrael will deserve to see the coming of Moshiach. With our eyes to witness the rebuilding of the Beis Hamikdash.”
