Series: Relationships with Chaya Rivka Zwolinski

For women only.

Is there a holistic healing modality that is rooted in Jewish mysticism that is still relevant today?

In *The Healing Dance of Body and Soul* we'll come to a richer understanding of why God houses our soul in this brilliantly complex home we call "my body", the paradoxical interplay between body and soul, and a fresh yet ancient outlook on health and healing.

Rebbe Nachman's approach to our bodily forms and functions is unique in all of Judaism, bringing light to this semester's discussions including:

- Holistic healing and Jewish mysticism
- Body and soul
- The openminded self vs. the narrowminded self
- Depression
- Angels and demons
- The brain, thoughts and the imagination
- Wisdom, understanding, and knowledge (Chochmah, Bina, Daas)
- Hair
- Menorah of the 7 lamps (the face)
- Purity vs. toxicity & health and dis-ease
- A new (yet ancient) definition of personal power
- And much more
