Series: Relationships with Chaya Rivka Zwolinski

For women only

We recognize that there are deeper truths in common idioms *She is broken-hearted. Their excuses stick in my throat. I felt it in my bones.* We instinctively sense that the body has messages for us beyond the physical.

In part three of The Healing Dance of Body and Soul, we'll continue to explore the reasons that God houses our soul in this brilliantly complex home we call "my body", the paradoxical interplay between body and soul, and a fresh yet

ancient outlook on health and healing.

Topics this semester include:

- Holistic healing and Jewish mysticism
- Healing the Heart
- The Emotions
- The Lungs
- The Neck: Exile and Exodus
- The Throat and the Voice
- Our Image
- Flesh
- Bone
- And more
