Series: Relationships with Chaya Rivka Zwolinski

For women only

Take a look at your hands. What miracles they are, perfectly designed for playing the piano, chopping onions, kneading bread, soothing a baby. If we examine them closely, we'll come to realize that every body part offers spectacular evidence of Hashem's Wisdom and Kindness.

In part four of The Healing Dance of Body and Soul, we'll continue to explore the reasons that God houses our soul in this brilliantly complex home we call "my body", the paradoxical interplay between body and soul, and a fresh yet ancient outlook on health and healing.

Topics include:

- Flesh and Bone
- Arms and Hands
- Legs
- Yesod
- The Feminine Principle
- Chava, The First Woman
