**The miracle of Purim is back again!!!**

This year too!!!

How can we be joyful when there is so much misery all around?

How can we feel the miracle of salvation in such a generation as ours?

How can we turn the complex reality of life into a decided victory against Amalek?

And other varied topics of interest...

Breslov Research Institute (BRI) presents a special program

where you can watch authentic lessons from Rabbi Nachman of Breslov's teachings.

Not for nothing Rebbe Noson zal screamed that he can feel Amalek holding an axe over our heads;

Not for nothing did Rebbe Nachman zal emphasize the power and obligation of dancing and joy;

Special and diverse lessons from the greatest Rabbis and leaders of the Breslov Chassidim. Share this with your family and friends, and this year let us all rejoice with all our strength and fulfill the mitzvah of the day!

And in addition...

A special treat!...
