September 14, 2022

We are delighted to announce that for the first time we will be organizing learning sedarim around the clock, including a special program with shiurim.

The Kollel will be open for the benefit of the American Uman-goers who are interested in learning in their own language and with other like-minded people. It's a tremendous zechut to learn Torah in this holy place during these special holy days. Join us and usher in the New Year with this awesome merit.

We are extending this invitation also to those who will not be able to come to Uman this year for Rosh HaShanah. At the very least, participate in the Kollel.

Sponsors' names will be mentioned in prayer. Wishing all a ketiva v'chatima tova and Shana Tova u'metuka!
