We are all yearning to find our path. Rebbe Nachman teaches that our purpose is to uncover the message the Creator is sending each of us through his Creation and thus attach ourselves to him and our true path. By doing this we return and reveal his true “Grace” to his the Nation of Israel. Dovid Mark starts an in depth class on the first lesson in the Likutey Moharan in the Maale Hever night Kollel located in the Hills of Har Hevron.
