

Toronto Siyum – Jan. 20th

written by breslov.org

December 20, 2012

We are organizing a Siyum in honour of the Breslov Research Institute completion of the Likutey Moharan – a 30 year project. Now that Rebbe Nachman's torahs are accessible in English (as well as other languages), they speak to this generation and guide us in true *avodat Hashem*.

Save the date: Sunday January 20th, 6:30 pm at Shaarei Tefillah. The evening program will include a beautiful dinner, live music, divrei torah from Rabbi Chaim Kramer and Rabbi Jonathan Rietti, welcome video by Elie Wiesel and lots of simcha in the zechut of Rebbe Nachman.

We hope we can count on your continued support in making Rebbe Nachman's Torah widespread which is such a source of blessing.

Order your tickets in advance for \$50 (or \$72 at the door) by calling Chaim Oliver [905.709.8582](tel:905.709.8582) – holiver@whatifwhatnext.com or Lesley Rosenfeld [416.857.5466](tel:416.857.5466) – lesleyrosenfeld@gmail.com.

Sponsorship opportunities available and welcome (include dedication in next publication, tickets for event & tax receipt).

In Loving Memory of Rabbi Tzvi Aryeh Rosenfeld Za'l
