**ROSH HASHANAH!
- 2022 -**

Rabbi Nachman said:
"My Rosh HaShanah is greater than everything."

I cannot understand how it is that if my followers really believe in me, they are not all scrupulous about being with me for Rosh HaShanah. No one should be missing!

He told us:

to make a public announcement that everyone who counted himself one of his followers or took notice of what he said should come to him for Rosh HaShanah without exception. Anyone who has the privilege of being with him for Rosh HaShanah is entitled to be very, very happy.

(Tzaddik #403)

Do you want to go? Yes!
Can you go? Don't know. Do you
want to want? Don't stop wanting!!!
