Many other activities are available to support you in your quest to reach the greatest heights you can achieve and to merit a Shanah Tovah U'me'tukah, a happy, healthy and sweet New Year. BRI wishes you and your family a year of prosperity, good health, and success, and may you merit to be inscribed in the Book of Life. Amen.

CLASSES, LECTURES & EVENTS
Rabbi Chaim Kramer delivered a two-week circuit of lectures honoring the yahrtzeit of Reb Noson of Breslov, heard by close to 1,000 people. Other well-attended lectures were held during the year in New York City, upstate New York, Lakewood, New Jersey, Miami, Dallas, Los Angeles, Toronto and Montreal. This past June, we hosted a sold out Gala Dinner event in Brooklyn, NY.

BRESLOV CAMPUS

Our online classroom, presented over 300 classes seen by more than 75,000 viewers. The top lecturers in Breslov today lead these classes, including Rabbi Chaim Kramer, Rabbi Elchonon Tauber, Rabbi Meir Elkabes, Rabbi Yossi Katz, Rabbi Yirmi Ginsberg, Mr. Mordechai Kaufman, Mrs. Chaya Rivka Zwolinski and Rebbetzin Yehudis Golshevsky.

BRI Women

Groups enjoyed the annual Uman Experience, a women's pilgrimage to Uman, Berditchev, Medzeboz and Breslov led by Mrs. Chaya Rivka Zwolinski, and the second annual Women's Shabbaton and Healing Retreat. We are now compiling the first Breslov book for women by women – Rebbe Nachman: A Woman's Treasury.

Led by Zvi Kramer, BRI Experience brings men and boys from the United States, Canada, South Africa, Israel and other countries to the Ukraine several times a year to see and learn first-hand the origins of Breslov Chassidus. Participants pray at the gravesites of Rebbe Nachman in Uman, Rabbi Levi Yitzchak in Berditchev, the Baal Shem Tov in Medzeboz, and Reb Noson in Breslov.

Uman B.R.I. KOLLEL

Over 20 classes and lectures are planned for the thousands of people who drop by our kollel in Uman during the week of Rosh HaShanah. Many will find the answers they have been seeking all year round in this holy environment.
