

Yes, I will continue the work of Reb Noson!

written by Yossi Katz

Reb Noson's efforts and iron will carved and shaped Breslov Chassidut as we know it. By remaining completely true to his master's teachings and transmitting them faithfully, he built a movement that connects later generations directly to Rebbe Nachman himself.

At the Breslov Research Institute, we strive to continue the life work of Reb Noson. So many are spiritually thirsty, desperately waiting for the Rebbe's Torah to give them meaning and purpose. With your help, we can publish and disseminate this Torah to reach hundreds of thousands around the world. Together, we can make this happen.
